Before heading back through the woods to the finish of the walk, you will come across the picturesque village of Barnoldby-le-Beck. This walk takes you past St Helen’s Church. Over the ages this Norman structure has been significantly restored and renovated, small parts of the original building still remain, in particular the chancel and the font. The church is now Grade 1 Listed, the carvings of five clerics are still in situ within the church. The church is now recognised as a Grade 1 Listed building.

After leaving Barnoldby you head north along the network of footpaths and bridleways passing Laceby Manor Golf Course before heading back through the woods to the finish of the walk. The start of the walk is in the picturesque Bradley Woods, there is ample car parking and the site is easily accessible off Bradley Road.

This is a great walk to get out and discover the countryside right on your doorstep. For more information please contact:
