Enjoy this walk along the seafront in Cleethorpes. The route begins at the Discovery Centre in the Boating Lake area and takes you along the beach and back again through Humberston Fitties and past Pleasure Island Theme park and the Meridian Lakeside arena. There is ample parking in the Boating Lake car park and bus services from across Grimsby and Cleethorpes travel along the Kingsway close to the start of the route.

Turning back towards the start you'll be walking through Steady and you're likely to cross the Greenwich Meridian, where east meets west. Stop for a moment with one foot on either side of the line and be in both the eastern and western hemispheres at the same time!

Turning back towards the start you'll be walking through Humberston Fitties which over the years has been used to billet First World War soldiers stationed at the nearby Haile Sand Fort, a place to take in the recuperative sea air and since the 1990's a local nature reserve and home to over 300 chalet plots.

At the end of the walk you can stop off at the Discovery Centre for a drink and something to eat or if you've still got plenty of energy why not hire a boat and go for a row around the lake?
