The Council considers that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations. **The annex at the end of the notice and the enclosures to which it refers contain important additional information.**

2. **THE LAND AFFECTED**

Land south of Wilton Road Industrial Estate, Humberston, North East Lincolnshire and described as adjacent to 32 Wilton Road, Humberston. Shown edged red on the attached plan (“the Land”).

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission, the unauthorised depositing of soil and waste materials on the Land (“The Works”).

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last ten years. The works consist of the storage on the Land of soil and waste materials.

Planning approval has not been granted for the storage of soil and other waste materials at the Land. The works undertaken without formal approval are seen to be contrary to national and local planning policy, particularly saved Policies E15 and GEN1, MW7 and MW8.

The use of the land for the storage of soil and waste materials has an adverse effect on the appearance of the area and the character of the Industrial Estate with potential for environmental pollution of the area including ground water.

5. WHAT YOU ARE REQUIRED TO DO

- (1) Cease depositing soil and waste materials on the Land.
- (2) Remove from the Land all waste materials and soil deposited on the Land without the benefit of planning permission, to a place suitably licensed to receive it.
- (3) Restore the Land to its condition prior to unauthorised waste materials being deposited i.e. natural ground level.
