THIS IS A FORMAL NOTICE which is issued by the Council because it appears to the Council that works have been carried out to the listed building at 8 Pelham Road, Grimsby, North East Lincolnshire ("the Building") in contravention of section 7 of the above Act. The Council considers that it is expedient to issue this notice, having regard to the effect of the Works on the character of the Building as being of special architectural or historic interest. - (b) Remove all fixtures and fittings for the scaffold, including any wall plugs, in their entirety from the Building.

Where fixings have been introduced into bricks the damage shall be made good using a cement free lime mortar coloured to match the existing brickwork exactly using brick dust and / or mortar colourants. Where fixings have been introduced into mortar joints the damage shall be made good using a cement free lime mortar to match the original mortar in all respects (colour, texture and style).

(d) The works specified in (c) above must be carried out by a person competent and experienced in this work such as a stone or brick mason.

ENSURING AT ALL TIMES that the Building is properly supported so as not to present a danger or risk to any person, or cause unnecessary or unacceptable risk to the structural integrity of the building.
