

PUBLIC NOTICE

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, Notice is hereby given that the following item will be considered at a meeting of the Cabinet on Wednesday 3rd November 2021 having not previously appeared on the Forward Plan:

– Household Support Grant

This item could not reasonably wait until the next ordinary meeting of Cabinet due to grant funding opportunities arising which have been made available subject to very tight windows of opportunity imposed by Central Government. These matters are beyond the control of the Council and officers and therefore a reactive approach is warranted. Timeframes generally do not permit adherence to usual governance mechanisms, such as advance entry onto the Forward Plan, to give adequate notice of a key decision being made. Therefore, in these circumstances a general exception approach will be supported by the Monitoring Officer so as to enable North East Lincolnshire to benefit from grant funding and other funding streams being made available by central government to support the borough as a whole..

Therefore these items will be considered under the General Exception rules, as laid out in the Regulations.

The Chair of the Communities Scrutiny Panel was informed as required under the Regulations, on 21st October, 2021.
