

# NORTH EAST LINCOLNSHIRE COUNCIL

File Ref : TR  
Order : 19-09  
Date : December 2019

## Statement of Reasons

Street(s) : Peaks Lane, Grimsby

Ward(s) : Heneage

Proposal : To introduce an Experimental Traffic Regulation Order (ETRO) for 'No Waiting At Any Time' restrictions on Peaks Lane, Grimsby. Vehicles are parking within the vicinity of the Lea Drive junction and adjacent to a number of business accesses causing visibility and safety issues for all road users.

Reason : The proposals which are to be introduced under an Experimental Traffic Regulation Order (ETRO) will improve visibility and reduce vehicle conflict on Peaks Lane, creating a safer environment for all road users.

It is not yet known what impact introducing the restrictions will have on the surrounding businesses. Upon the introduction of the scheme parking surveys will be undertaken at regular intervals to collate data to assist in the decision as to whether the provisions of the ETRO should be continued in force indefinitely.

Any material objections received during the 6 month objection period following the making of the order will be referred to the Portfolio Holder for consideration prior to a decision on whether to make the order permanent.

The Council reserves the right to amend or add to the statement of reasons in light of any objections received.
