

NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR-19-21

Order: 19-21

Date: June 2020

Statement of Reasons

This Statement of Reasons relates to the making of the following Traffic Regulation Order:

The North East Lincolnshire Borough Council (B1210) (40mph Speed Limit) (No. 19-21) Order 2020.

Street(s) affected:

- B1210 (Healing Road)

Ward(s) affected:

- Wolds
- Immingham

Proposal:

To extend the existing 40mph speed limit to the north-west of Healing Village by a distance of 300 metres.

Reason:

Following planning approval for the creation of a new residential housing development on land to the north-east of the B1210 (Stallingborough Road), it is necessary to reduce the speed limit within proximity to the new development access.

The speed reduction will improve the safety of vehicles using the new access and other road users by lowering the speed of approaching vehicles travelling in a south-easterly direction, from the north-west of the village and is therefore required for the avoidance of danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.
