An annual report on the discharge of the scrutiny function will be presented to the Annual General Meeting of Council, following consideration and review by the Executive and Scrutiny Liaison Board.

Functions of the [Statutory] Scrutiny Officer

- The Scrutiny Officer will promote the role of the scrutiny panels.
- The Scrutiny Officer will provide support to the scrutiny panels.
- The Scrutiny Officer will provide support to members of the local authority, members of the Cabinet, and officers of the authority, in relation to the functions of the scrutiny panels.

Note: The [Statutory] Scrutiny Officer cannot be the Head of Paid Service, Monitoring Officer or Chief Financial Officer.

1. Who may sit on the Scrutiny Panels?

Any Councillor, except a member of the Cabinet, may be a member of a Scrutiny Panel. However, no member may be involved in scrutinising a decision in which he/she has been directly involved and all Members must declare any such interest.

2. Co-optees

Scrutiny Panels shall be entitled to recommend to Council the appointment of a number of people as non-voting co-optees.

3. Education representatives

The Scrutiny Panel dealing with education matters shall include in its membership the following voting representatives:

- (a) 1 Church of England diocese representative;
- (b) 1 Roman Catholic diocese representative;
- (c) parent governor representatives.

In addition, this Panel shall include one non-voting Trade Union representative. The relevant Scrutiny Panel in this paragraph is the overview and scrutiny committee of a local education authority, where the committee's functions relate wholly or in part to any education functions which are the responsibility of the authority's Cabinet. Where this Panel deals with other matters, these representatives shall not vote on those other matters, though they may stay in the meeting and speak.

4. Meetings of the Scrutiny Panels

The number and frequency of ordinary meetings of each Scrutiny Panel shall be agreed annually at the Annual General Meeting of the Council. In addition, extraordinary meetings may be called from time to time as and when appropriate. A Scrutiny Panel meeting may be called by the Chairman of the Panel, by any two members of a Panel or by the proper officer if he/she considers it necessary or appropriate.

5. Quorum

The quorum for all Scrutiny Panels is as set out in the Council's Standing Orders in [Article 5 \(Appendix 1\)](#) of this Council's Constitution.

6. Who chairs Overview and Scrutiny meetings?

The appointment of the chair and provisions relating to them is a procedure set out in the Council Standing Orders. The Scrutiny Panel Chairs are appointed annually by full Council at its Annual General Meeting. In the absence of the Chair or Deputy Chair of a Scrutiny Panel, the Chair shall also be elected on a vote by show of hands from those Members present.

7. Work programme

The Scrutiny Panels will be responsible for setting their own work programmes, subject to any requests that the Executive and Scrutiny Liaison Board or Cabinet may make to individual Panels, and in so doing they shall take into account the wishes of all members on that Panel who are not members of the largest political group(s) on the Council. The Executive and Scrutiny Liaison Board will agree which reviews / select committees are held and the priority order for them to ensure that resources are effectively used.

8. Agenda Items

The Scrutiny Panels will ensure that any agenda item can be referred to the Cabinet, to other committees or to the Council as appropriate. Any member of the Scrutiny Panels shall be entitled to give notice to the Proper Officer that he/she wishes an item relevant to the functions of the Panel to be included on the agenda for the next available meeting of that Panel. On receipt of such a request the proper officer will, subject to the approval of the Chair of the Panel, ensure that it is included on the next available agenda.

Any other non-Cabinet members of the Council who are not members of the Scrutiny Panels may give written notice to the proper officer that they wish an item to be included on the agenda of the relevant Scrutiny Panel. If the proper officer receives such a notification, then he/she will include the item on the first available agenda of the relevant Scrutiny Panel for consideration by that body.

The Scrutiny Panels shall also respond, as soon as their work programmes permit, to requests from the Council and the Cabinet to review particular areas of Council activity. Where they do so, the Scrutiny Panel shall report their findings and any recommendations back to the Cabinet and/or Council. The Council and/or the Cabinet shall consider the report of the Scrutiny Panel at the next available meeting and provide a formal, written reply to the next available meeting of the Panel on what actions, if any, it intends to take with regard to the recommendations of the Panel.

9. Policy review and development

- (a) The role of the Scrutiny Panels in relation to the development of the Council's budget is set out in detail in the Budget and Policy Framework Procedure Rules.
- (b) In relation to the development of the Council's approach to other matters not forming part of its policy and budget framework, the Scrutiny Panels may make proposals to the Cabinet for developments in so far as they relate to matters within their terms of reference.

- (c) Scrutiny Panels may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

10. Reports from Scrutiny Panels

- a) Once it has formed recommendations on proposals for development, the Scrutiny Panel will prepare a formal report and submit it to the proper officer for consideration by the Cabinet (if the proposals are consistent with the existing budgetary or policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget and policy framework).
- b) The Council or Cabinet shall consider the report of the Scrutiny Panel at the next available meeting of it being submitted to the proper officer. A response from the relevant chief officer(s) shall be provided within four weeks of this date and the Council/ Cabinet shall formally respond in writing to the proper officer within five working days of receipt of that report, clearly stating which matters are agreed in principle, which matters are to be deferred and which are not agreed, with reasons stated. This matter shall then be placed on the next available agenda of the Overview and Scrutiny Panel and the relevant portfolio holder and officer shall be invited to present their response.

11. Making sure that Scrutiny reports are considered by Cabinet

- a) The agenda for Cabinet meetings shall include an item for reports referred by scrutiny. The reports of Scrutiny Panels referred to the Cabinet shall be included at this point in the agenda (unless they have been considered in the context of Cabinet's deliberations on a substantive item on the agenda) on the next available Cabinet agenda following the Scrutiny Panel completing its report/recommendations. If for any reason the Cabinet does not consider the overview and scrutiny report within four weeks then the matter may be referred to Council for review, and the proper officer will call a Council meeting to consider the report and make a recommendation to the Cabinet. Similarly, if the relevant chief officer(s) does not respond to the Cabinet within four weeks in order for a reply to be formulated by cabinet, then the Scrutiny Panel may refer the matter to full Council. The proper officer will call a meeting of the full Council and invite the Leader of the Council and relevant portfolio holder to prepare a response report.
- b) Scrutiny Panels will in any event have access to the Cabinet's Forward Plan and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from a Scrutiny Panel following a consideration of possible policy/service developments, the Panel will at least be able to respond in the course of the Cabinet's consultation process in relation to any key decision.

12. Rights of Scrutiny Panel members to documents

- a) In addition to their rights as councillors, members of Scrutiny Panels have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Article 3 of this Constitution.
- b) Nothing in this paragraph prevents more detailed liaison between the Cabinet and Scrutiny as appropriate dependent on the particular matter under consideration.

13. Members and officers giving account

- a) Scrutiny Panels may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions (except decisions made by the Council's regulatory committees, the Appointments Committee, the Standards and Adjudication Committee, the Audit and Governance Committee and any non-executive committee exercising quasi-judicial functions). As well as reviewing documentation, in fulfilling the scrutiny role, it may require any member of the Cabinet and/or any senior officer to attend before it to explain in relation to matters within their remit:
 - i) any particular decision or series of decisions;
 - ii) the extent to which the actions taken implement Council policy: and/or
 - iii) their performance,and it is the duty of those persons to attend if so required.
- b) Where any member or officer is required to attend a Scrutiny Panel under this provision, the Chair of that Panel will inform the proper officer. The proper officer shall inform the member or officer in writing giving at least five working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Panel. Where the account to be given to the Panel will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the Scrutiny Panel shall, in consultation with the member or officer, arrange an alternative date for attendance to take place within a maximum of two months from the date of the original request (except where any summer recess arrangements apply).

14. Attendance by others

The Scrutiny Panel may invite people other than those people referred to in paragraph 13 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend. Attendance for these is voluntary and entirely optional.

15. Call-in

Call-in should only be used where really necessary and the right should not be abused. In particular it should be used where members have evidence which suggests that the Cabinet, the Portfolio Holder or the Health and Wellbeing Board did not take the decision in accordance with the principles set out in Article 4 (Decision Making).

- a) When a decision is made by the Cabinet, the Portfolio Holder, the Health and Wellbeing Board or a key decision is made by an officer with delegated authority from the Cabinet, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 working days of being made. The notice will be sent to all Members.

- b) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of five working days after the publication of the decision, unless any 2 members of the Council (including co-opted members) object to it and call it in.
- c) The Chief Executive shall call-in a decision for scrutiny if so requested by any two members of the Council (including co-opted members provided the Proposal relates to their area of responsibility) and shall then notify the decision taker of the call-in. The two members "calling-in" must give written notice to the Chief Executive no later than 4.00 pm on the fifth working day after publication of the decision notice and shall specify the reason for calling the decision in.
- d) When calling-in a decision the two members shall indicate which Scrutiny meeting the matter will go to with reasons for the preference. The Chief Executive will then adjudicate on allocation to the appropriate Scrutiny meeting. If an item is called in following a Cabinet decision then this should not result in a request for a select committee or review, unless agreed with Cabinet first.
- e) A maximum period of 28 days will be set for scrutiny to hear a call-in following receipt of notice and, in any event, the call-in shall be heard at the next Scrutiny meeting in the Committee cycle. If, having considered the decision, the relevant Panel is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to full Council. If referred back to the decision maker, they shall then reconsider within a further four weeks before adopting a final decision. Any decision can only be reconsidered once.
- f) If, following consideration of a call-in, the relevant Panel does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the relevant Panel meeting.
- g) If the matter was referred to full Council and the Council does not object to the decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object it has no power to make decisions in respect of a Cabinet decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, the Council will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where a decision was taken by the Cabinet as a whole, a meeting will be convened to reconsider within four weeks of the Council request. Where the decision was made by an individual, the individual will also reconsider within four weeks of the Council request.
- h) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.

Call-In and Urgency

- i) The call-in procedure set out above shall not apply where the decision taken by the Cabinet is urgent. A decision will be urgent if any delay likely to be caused by the call in process would seriously prejudice the Council's or the community's best interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one and the reason for this, and therefore not subject to call-in. The Leader and Deputy Leader of the Council must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Leader and/or Deputy Leader, the Head of Paid Service (Chief Executive) or his/her nominee's consent shall be required. In all cases, the Cabinet will be required to consult with a Scrutiny Chair to satisfy that person that urgency is justified. In the absence of the Chair of the relevant Scrutiny Panel a Chair of another Panel shall be consulted. Decisions taken as a matter of urgency must be reported to the next available meeting of the Cabinet, together with the reasons for urgency.
- j) Full Council may resolve to exempt a proposed Cabinet decision from call-in provided that notice of the proposed decision is included in the Forward Plan and, in any event, the exemption serves the best interests of the Council, the Borough and relevant stakeholders.
- k) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

16. The Party Whip

- a) Governmental Guidance views application of the party whip as incompatible with Overview and Scrutiny. The following, however, provides a means of safeguard where whipping does occur. 'The party whip' is taken to mean: "Any instruction given by or on behalf of a political group to any councillor who is a member of that group as to how that councillor shall speak or vote on any matter before the Council or any committee or sub-committee, or the application or threat to apply any sanction by the group in respect of that councillor should he/she speak or vote in any particular manner".
- b) When considering any matter in respect of which a member of a Scrutiny Panel is subject to a party whip, the member must declare the existence of the whip, and the nature of it before the commencement of the Panel's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

17. Procedure at Scrutiny Panel meetings

- a) Scrutiny Panel meetings shall consider the following business:
 - i) minutes of the last meeting;
 - ii) declarations of interest (including whipping arrangements);
 - iii) consideration of any matter referred to the Panel for a decision in relation to call in of a decision;
 - iv) responses to any questions submitted under the 'Public Question Time at Scrutiny' facility (see Article 3, appendix 4)

- v) consideration of any item referred to the Panel concerning monitoring of the performance of the Council;
 - vi) responses of the Cabinet to reports of the Panel.
 - vii) items for policy review agreed by the Panel.
 - viii) items to consider for policy review by the Panel.
 - ix) consideration of any valid petition relevant to the remit of that Panel.
 - x) examination of any matter relevant to the function of the Panel from the Forward Plan prior to a decision being taken.
 - xi) consideration of any performance monitoring information relevant to the remit of that Panel.
 - xii) any urgent business (agreed at the discretion of the Chair).
- b) Where a Scrutiny Panel conducts investigations (e.g. with a view to policy development), the Panel may also ask people to attend to give evidence at Panel meetings to be conducted in accordance with the following principles:
- i) that the investigation be conducted fairly and all members of the Panel be given the opportunity to ask questions of attendees, and to contribute and speak;
 - ii) that those assisting the Panel by giving evidence are treated with respect and courtesy; and
 - iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- c) Following any investigation or review, the Panel shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

18. Matters within the remit of one or more Scrutiny Panel

Where a matter for consideration falls within the remit of one or more Panels, the decision as to which Panel shall deal with the matter shall be taken by the Executive and Scrutiny Liaison Board.

19. Joint Board or Panel Meetings

Where a matter is of mutual interest to one or more Panels e.g. in respect of strategic, corporate or cross-cutting issues which can be more efficiently and effectively dealt with collectively, then consideration shall be given to:

- i) inviting Panel members to observe the matter being presented to the other Panel;
- ii) a joint meeting of the Panels being held;
- iii) a joint meeting of two or more Panels taking place;
- iv) the matter being dealt with by one Panel to which delegates from other Panels are invited.

Joint meetings may be called by agreement with the relevant Chairs.

Joint meetings shall be chaired by one of the existing Panel Chairs

20. Forward Plan

THE ROLE OF SCRUTINY

- a) The Forward Plan of key decisions to be taken by this local authority shall be published (made public) on a monthly basis. All elected Members shall receive

notice on or before the fifteenth of each month of key decisions to be taken by the executive (Cabinet, Portfolio Holder or Officers). The Plan shall cover the four month period ahead starting with the month following publication e.g. the plan published on 15 January shall be for the period February - May.

- b) Non-executive Members sitting on a Scrutiny Panel may ask to examine any item relevant to their remit prior to a key decision being taken. Normally, items shall be considered by the relevant Panel. Such a request may be made at a scheduled meeting of the Panel and the matter will be considered at the next scheduled meeting of that Panel provided this does not prevent the executive decision being reached at the proposed time. If no meeting of the relevant Panel is planned before a key decision needs to be taken, that Panel shall consider whether or not the issue warrants an additional meeting of the Panel taking place in sufficient time for Scrutiny to examine the item.
- c) In order to maximise the opportunity for non-executive Members to examine such matters in time, Chairs of scrutiny panels should take responsibility for reviewing the plan as soon as practicable after it is published in order to highlight any areas to be examined in detail by the panel to the proper officer. However, all scrutiny Members may, on receipt of the Forward Plan, ask the proper officer for an item to be examined at the next meeting of the relevant Panel. In such cases, the proper officer shall bring this request to the attention of the Chair of that Panel who shall determine whether or not to include this request on the next agenda of that Panel, including as a late and urgent item.
- d) Where a request for information about an item on the Forward Plan is made, the relevant Director shall supply such information as is available to that Panel prior to the matter being reported to the executive body taking that key decision. In all cases, an explanation shall be given of the key decision(s) that it is proposed the executive body take and the reasons behind this.
- e) Where the Scrutiny Panel examines an item it may:
 - i) note the information including proposed decisions of the executive and take no further action, or
 - ii) make comments or propose amendments to the draft report to Cabinet with the agreement of the directorate reporting on it, or
 - iii) make separate representations to the executive body taking the report where agreement has not been reached on the key decisions that should be taken.
- f) Where a scrutiny body makes a separate report, this shall be presented by the Chair of that body (or their nominee) to the executive decision-making body or person before any decision is reached on the matter. The outcomes of those representations shall then be given to the next available meeting of the relevant scrutiny body.
