

# NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR 19-09A

Order: 19-09A

Date: 2021

## Statement of Reasons

This Statement of Reasons relates to the making of the following Traffic Regulation Order:

The North East Lincolnshire Borough Council (Prohibition of Waiting Restrictions) (Peaks Lane, Grimsby) (No. 19-09A) Order 2021.

### Street(s) affected:

- Peaks Lane, Grimsby
- Lea Drive, Grimsby

### Ward(s) affected:

- Heneage

### Effect:

Traffic Regulation Order (TRO) 19-09A continues in force indefinitely the provisions of Experimental Traffic Regulation Order (ETRO) 19-09 for 'No Waiting at Any Time' restrictions on Peaks Lane, Grimsby.

Vehicles had been parking within the vicinity of the Lea Drive junction and adjacent to a number of business accesses prior to the implementation of ETRO 19-09, causing visibility and safety issues for all road users.

Since ETRO 19-09 came into operation on 19 December 2019 it has proven effective at controlling parking and improving visibility at key junctions and access. We have therefore made this arrangement permanent through the introduction of TRO 19-09A.

### Reason:

The changes will ensure the longevity of safety benefits by maintaining visibility for all road users and reducing the potential for vehicular conflict on Peaks Lane and at the junction of Lea Drive.
