

NORTH EAST LINCOLNSHIRE BOROUGH COUNCIL

File Ref : TR-20-03
Order : 20-03
Date : Mar 2021

This Statement of Reasons relate to the making of the following Traffic Regulation Order:

The North East Lincolnshire Borough Council (Prohibition of Waiting Restrictions) (Various Streets) (No.20-03) Order 2021.

Statement of Reasons

Streets(s) : See Below
Ward : Humberston & New Waltham, Waltham and Heneage Wards.
Proposal : Introduction of No Waiting at Any Time restrictions.

At several locations, the absence of any waiting restrictions and therefore control of parking, has a number of negative effects. These include inconsiderate parking, preventing access to business properties, restricting access to residential streets, preventing access for pedestrians, hindering economic growth for local businesses, preventing access for local and emergency services and impairing visibility for motorists & cyclists.

The proposed introduction of Waiting Restrictions (No Waiting at Any Time) are expected to remove the issues noted above. Each location is listed below with its associated concern.

Granville Street, Grimsby:	Obstructing pedestrians and impairing visibility
Marquis Avenue, New Waltham:	Inconsiderate parking at school times, restricting access to street, obstructing pedestrians and impairing visibility
Baron Avenue, New Waltham:	Inconsiderate parking at school times, restricting access to street, obstructing pedestrians and impairing visibility
Countess Close, New Waltham:	Inconsiderate parking at school times, restricting access to street, obstructing pedestrians and impairing visibility
Peaks Avenue, New Waltham:	Inconsiderate parking at school times, restricting access to street, obstructing pedestrians and impairing visibility
Trafalgar Park, New Waltham:	Restricting access to street, obstructing pedestrians and impairing visibility
New Road, Waltham:	Obstruction to business premises
