

North East Lincolnshire Council (Prohibition and Restriction of Waiting, Clearways and On Street Parking) (Consolidation) Order 2010

Due to the size of this document, a copy of the North East Lincolnshire Council (Prohibition and Restriction of Waiting, Clearways and On Street Parking) (Consolidation) Order 2010 is usually made available for viewing, during office hours, at the Customer Access Point (CAPs).

However, due to current restrictions in place relating to the Covid19 pandemic, CAPs is currently closed.

An alternative arrangement is now in place whereby the written section of the 2010 Order will be made available (where applicable) online as part of the list of deposited documents pertaining to the order being advertised at that time, together with all relevant accompanying map tiles.

As indicated above, we are still not able to provide a full copy of the 2010 Order due to the size of the overall document.
