<p>DM/0456/21/TPO</p> <p>Works to a tree with a TPO</p>	<p>Mr Kevin Whyte</p> <p>Land Surrounding Park Cottage Main Road Barnoldby Le Beck North East Lincolnshire DN37 0AU</p>	<p>Proposal to fell Ash Tree T1 identified on TPO NEL47. The tree has been visually inspected and is suspected to be in a state of decline due to Ash Dieback. Previous failures of limbs have opened up areas to decay. There are now cavities resulting in reduced structural integrity. The main area of concern is decay and cavities in the basal flare. With the location of the tree close to neighboring land, the potential of damage to property or injury to individuals in our opinion now overrides any amenity value that the tree once had.</p> <p>My client is more than happy to replant a single replacement tree to be located in the same field away from the boundary. Our preference would be Oak which would offer good biodiversity and be suitable for a proposed meadow planting scheme. The size of the replacement is open to recommendation.</p> <p>NB: To date my client is not the current owner of the land that the tree is located on but is in negotiations of the purchase.</p> <p>Approved with Conditions</p>
