STATUS	Open

CONTRIBUTION TO THE COUNCIL PLAN/STRATEGIC AIMS

The scrutiny panels act as a reviewing mechanism for decisions made relating to the strategic policy, performance and resources required to deliver the ambitions of the Council and its key partnerships. The aim of the scrutiny process is to make sure decision making is robust by providing constructive challenge. This contributes to the Council being effective and efficient and therefore is integral to the delivery of the Council Plan.

EXECUTIVE SUMMARY

The scrutiny panels have adopted a template in order to track their recommendations.

MATTER(S) FOR CONSIDERATION

Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed, so that they can be removed from the table.

1. BACKGROUND AND ISSUES

Each scrutiny panel has a standard agenda item so that they can check progress against the recommendations they have previously made.

2. RISKS AND OPPORTUNITIES
