

Appendix 1 - Performance Results Key

Risk *	Definition
	Where a performance target exists, it is expected this target will be met by the end of the year. Where there is no target, or the indicator represents a volume, this is expected to be equivalent or an increase to the result of the previous year.
	Where a performance target exists, it is likely this target will not be met by the end of the year. Where there is no target, or the indicator represents a volume, this is likely that there will be a decrease to the result of the previous year.
	No trend data available - either lack of historic or current period data

* When comparing numbers, not percentage a pro-rata value for the same length of time will be used.
