We welcome the generous support being offered by our local community to the people of Ukraine. As a Council, we pledge to do all we can to facilitate and enable further support across North East Lincolnshire, including for those families who have been forced to flee their homeland.	

8. Notice of Motion 2

To consider a Notice of Motion, to be proposed by Councillor Patrick and seconded by Councillor Wilson, submitted in accordance with the Council's Standing Orders as set out below:

In the November of 2021, the findings of an Ofsted review of the children's services of North East Lincolnshire Council were made public, the conclusion was that the council's rating had crashed from an overall 'good' rating to an inadequate, the report going on to damn the council and corporate leadership in the strongest possible terms.

Examples of failure included the reference to the fact that "Not all senior leaders and council members understand the depth of the failings, either to hold each other to account, or to prioritise the needs of children in corporate decision making."

The portfolio holder himself has time and time again failed to demonstrate a grasp of the challenges at hand, often showing a lack of understanding the services that sit within his portfolio, and more crucially, any decisive strategic insight into what he must do to start to turn around this failure of the most vulnerable children and families in our Borough.

Despite the overt objective evidence that the Portfolio Holder for Children's Services finds himself in an untenable position, the Leader of the Council has seen fit to keep him in post, an afront to the families that have been failed in the worst possible terms.

This Council finds it no longer has confidence in the current Leader, Councillor Jackson, and the wider Cabinet he leads.
