

NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR-20-16

Order: 20-16-01

Date: May 2021

Statement of Reasons

This Statement of Reasons relates to the making of the following Traffic Regulation Order:

The North East Lincolnshire Borough Council (Prohibition of Stopping on Verge or Footway) (Bradley Road, Church Lane and Manor Farm Mews) (No. 20-16-01) Order 2021

Street(s) affected:

- Bradley Road (part)
- Church Lane, Bradley (part)
- Manor Farm Mews

Ward(s) affected:

- South, Wolds, Waltham

Proposal:

To prohibit the stopping and waiting of vehicles on the adopted verge and footways of those streets detailed above.

Reason:

The removal of parking in the affected areas from the footways and verges will prevent ongoing damage that continues to occur as a result of parked vehicles.

The measures in turn will also help to preserve the amenities of the local area, particularly for pedestrians, where such parking practices have the potential to pose difficulties, inconvenience and obstruction along the route.
