

NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR-20-08

Order: 20-08

Date: July 2021

This Statement of Reasons relates to the making of the following Speed Limit Order:

The North East Lincolnshire Borough Council (B1219 Humberston Avenue) (40mph Speed Limit) (Revocation) (No. 20-08) Order 2021

Street(s) affected:

- B1219 (Humberston Avenue)

Ward(s) affected:

- New Waltham and Humberston

Proposal:

To revoke the existing 40mph speed limit along the B1219 between its junctions with Cannon Oakes Court and the A1031, allowing the road to revert to a restricted road and 30mph speed limit by virtue of a system of street lighting.

Reason:

Following planning approval for the creation of a number of new residential housing developments on land adjacent to the B1219 Humberston Avenue, it is necessary to reduce the speed limit within proximity to the new development access roads.

Residential housing in the area has grown exponentially in recent years, this has brought about the creation of a number of new access roads to service the new developments, as well as increased pedestrian and cycle movements in the area. By reducing the speed limit to 30mph along the full extent of Humberston Avenue it will improve the safety of all road users, particularly vulnerable road users and those utilising those access roads.
