File Ref: TR-21-03

Order: 21-03

Date: August 2021

## Statement of Reasons

This Statement of Reasons relate to the making of the following Traffic Regulation Order:

**The North East Lincolnshire Borough Council (Prohibition of Vehicles, Except for access) (A1098 Hewitts Avenue Layby, Grimsby) (No.21-03) Order 2021**

### Street(s) affected:

- A1098 Hewitts Avenue, Grimsby (Layby Only)

### Ward(s) affected:

- Humberston & New Waltham Ward

### Proposal:

To prohibit vehicle access to the layby named above.

### Reason:

Concerns have been raised over the volume and frequency of fly tipping, littering and anti-social behaviours within the layby on the A1098 Hewitts Avenue. To address these issues, it is proposed to introduce a permanent Traffic Regulation Order (TRO) to prevent vehicular access by the wider public.
