## I. Policy statement and principles

### I.1 Policy aims and principles

This policy is designed to ensure there is an open and fair admissions procedure for all applicants and to help guide parents and their children through the application process. The academy's admissions arrangements will not disadvantage unfairly, either directly or indirectly, a child from a particular social or racial group, or a child with a disability or special educational needs, and that other academy policies do not discourage parents from applying for a place for their child.

This policy details the academies arrangements for admissions and will apply to all admissions from 1 September 2022 to 31 August 2023. This includes in-year admissions within this period.

Parents are encouraged to visit the academy with their child if they are planning to apply for a place. We have a number of open days during the year, these will be publicised on [www.osparade.co.uk](http://www.osparade.co.uk).

Arrangements for visits outside these dates can be made through the academy office on 01472 231659. Once a decision has been reached and you would like your child to attend Ormiston South Parade Academy you will be invited to visit the school office to complete the appropriate paperwork.

The Academy Trust will consult on the admissions arrangements at least once every seven years or if there are proposed changes to the admission arrangements which require consultation.

This policy is consistent with all other policies adopted by OAT / the academy and is written in line with current legislation and guidance.

### I.2 Monitoring and review

This policy will be reviewed annually or in the following circumstances:

- Changes in legislation and / or government guidance
- As a result of any other significant change or event
- As the result of a decision of an Adjudicator
- In the event that the policy is determined not to be effective

If there are urgent concerns these should be raised to the Academy Admissions Officer on 01472 231659 in the first instance for them to determine whether a review of the policy is required in advance of the review date.

## 2. Academy admissions

The academy admits students between the ages of 2 and 11 years. The main intakes are:

- Early years comprising of Pre-school (2-3 years) and Nursery/Foundation 1 (3-4 years)
- Primary comprising of Reception/Foundation 2 (4-5 years) Key Stage 1 and 2 (5-11 years)

We encourage entry at the academy's main intake time so as to aid academic progression without interruption, however, applications are welcome for entry in any year, providing places are available.

This policy is for admission into the primary phase only. For details of Early Years admissions please see our separate document.

### 2.1 Definitions

The academy uses the following definitions when applying this policy:

#### **Distance**

This is the safest walking distance between the academy main gate and the child's home address (front door). The distance will be measured using the NELC computerised measuring system.

Where two dwellings with the same front entrance the closest dwelling to the front door (lower floor and counting clockwise) will be regarded as being closer to the academy.

#### **Dual address**

Where a child lives at two different addresses, the 'home' address will be determined as the address at which the child resides for the majority of school nights. School nights are Sunday night to Thursday night inclusive. In a case where the child spends an equal number of school nights at each address, then the address where the child benefit is paid will be used. Where no child benefit is claimed the address used to register the child with a doctor will be used.

#### **Catchment area**

Please refer to North East Lincolnshire School Admission Arrangements 2022-2023

#### **Siblings**

A sibling is defined as:

- A brother or sister (including half brothers or sisters) who shares one or both parents, whether or not resident in the same household
- A step brother or sister where the two children are related by a parent's marriage
- An adopted or foster child living in the same household under the terms of the residents order
- Another child living in the same household where the adult has parental responsibility

In the case of twins or other children from multiple births (two or more siblings in one year group) and where only one place is available, the application will be considered together as one application.

### 2.2 Eligibility criteria

In line with the Schools Admissions Code 20147 ("the code") Ormiston South Parade Academy will respond to

the applications for children coming from overseas in accordance with European Union law or Home Office rules for non-European Economic Area nationals. Ormiston South Parade Academy will not refuse a school place simply because of doubts about the child's immigration status.

### 2.3 Waiting list

If the number of applicants exceeds the number of places available, children who have been refused a place will be automatically placed on a waiting list unless there is a specific request that this should not happen. The child may gain entry to the academy if a place becomes available.

The academy will maintain a waiting list until 31 December following the main academy intake. Each added child will require the list to be ranked again in line with the academy's oversubscription criteria in which the application was originally considered. Priority will not be given to children based on the date their application was received or the date when they were added to the list.

### 2.4 Withdrawal of a place

The academy will only withdraw an offer of a place if:

- The place was offered in error
- Acceptance of the place was not received in a reasonable period of time
- The offer was obtained through a fraudulent or intentionally misleading application (the academy may request evidence to ensure the child meets the admissions criteria) – if this occurs the application will be considered afresh

The academy will not withdraw the place if the student has started at the academy unless the place was obtained fraudulently. If this is the case then the academy will decide whether to withdraw the place based on the circumstances including the length of time the child has been at the academy.

### 2.5 Determining arrangements and consultation

Admissions arrangements will be set annually, this will happen even if there are no changes from previous years and a consultation is not required.

If the academy changes any significant aspect of the admissions procedure then OAT will be informed prior to making changes and beginning the consultation process. Any significant changes proposed by the academy must be approved by OAT.

The academy will consult on admissions arrangements when changes to the academies arrangements are proposed (no consultation is required for an increase in PAN or changes to ensure compliance with the admissions regulations). Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that we must consult on our admission arrangements at least once every seven years, even if there have been no changes during that period.

We will publish any consultation for admissions on our website and notify appropriate stakeholders. If there are any substantive responses to the academy's consultation then these will be sent to OAT. Any subsequent changes will be made will be in consultation with OAT.

Once our admissions arrangements have been determined we will notify the appropriate bodies and publish a

copy of the determined arrangements on our website.

## 2.6 Admission of children outside their normal age group

Parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. If parents wish to do this they must contact, in the first instance, the academy Principal. Contact with the academy must be made at the earliest opportunity to avoid any delays in the application process.

The decision whether a child is admitted outside of their normal age group will be made on a case by case basis by the academy's governing body. A panel of at least three governors will consider the admission request based on the student's:

- Academic ability
- Social and emotional development
- Views of the parents and principal; and
- Any additional relevant information available

The panel will have to be satisfied that the child would be able to cope with the work of the year applied for and that the student would be able to cope with the personal development whilst being with a year group who are of a different age. In order to support any application parents will need to submit evidence to demonstrate that the admission into a different year group is in the best interests of the child.

Once the governing body has made a decision the child can then apply to the academy using the process detailed in this policy. Parents have a statutory right to appeal against the refusal of a place however this right does not apply if the child is offered a place at the academy but it is not in their preferred age group.

## 2.7 Complaints about admissions arrangements

Any person, or body, can make an objection to the Schools Adjudicator when they consider the academy's arrangements are unlawful, or not in compliance with the School Admissions Code / relevant legislation relating to admissions.

Complaints about the appeals panel can be made to the Secretary of State.

### 3. Primary admissions

The process detailed in this section is for admissions for primary admissions. For further information on this process please contact the Academy Admissions Officer on 01472 231659.

#### Number of spaces (PAN)

The academy has an agreed admission number of 75 per year. Infant classes (those where the majority of children will reach the age of 5, 6 or 7 during the academic year) will not contain more than 30 pupils with a single teacher unless they are admitted under limited exceptional circumstances as detailed in the admissions code.

#### Application process

To apply you need to complete the local authority's (LA) common application form (CAF) and submit this directly to the LA by the January deadline. The CAF and all guidelines can be found of the North East Lincolnshire website (link below)

[www.nelincs.gov.uk/schools-and-education/school-admissions/apply-for-a-school-place/](http://www.nelincs.gov.uk/schools-and-education/school-admissions/apply-for-a-school-place/)

All offers of primary places will be made through the local authority (LA). The academy will not contact parents about the outcome of their application until the offer from the local authority has been received. All offers will be made on the primary national offer day in April.

By law, children must start statutory full time education at the beginning of the term following their fifth birthday. Where admission is offered prior to compulsory age, parents may defer their child's entry until later in the academic year.

Children born between 1 September and the end of February may start full-time no earlier than the beginning of the autumn term before their fifth birthday.

Children born between 1 March and 31 August, may start part-time (mornings only) no earlier than the beginning of the autumn term before their fifth birthday and full-time at the beginning of the spring term before their fifth birthday.

Our admissions policy does not allow children to start at the academy earlier than the law requires. The law allows parents to ask for their child to be admitted but lets them delay the start date until later in the academic year. All children must start at the academy by the beginning of the term following their fifth birthday and the place must be taken up by the start of the summer term. If a request is made to defer the entry date for a child then the entry the place will be held and will not be offered to another child.

#### Selection criteria

If the number of applications is less than the number of spaces then all children will be offered places.

#### Oversubscription criteria

If the school is oversubscribed, after the admission of pupils with a Education, Health and Care Plan where the school is named in Plan, priority for admission will be given to those children who meet the criteria set out below, in order:

- I. A Looked After Child is either a child who is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (definition used is in Section 22(1) of the Children Act 1989); or, those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously Looked After Children are those who were previously looked after but immediately after being looked after were adopted or became subject to a child arrangements order or special guardianship order.

2. Children with a sibling attending the school at the time of application. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
3. Living in the catchment area as defined by the local authority.
4. Other children by distance from the school, with priority for admission given to children who live nearest to the school as measured by using Ordnance Survey data to plot an address in this system. Distances are measured from the main entrance of the child's home to the main entrance of the school as specified in the school information pack.

Random allocation will be used as a tie-break in category '4' above to decide who has highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified.

#### In-year admissions

Applications for in-year admissions are considered in the same way as those made at the beginning of the academic year and are dealt with in accordance with the local authority's Fair Access Protocol. In-year admissions forms can be obtained from NELC or the Academy office.

Students included in the Fair Access Protocol will take precedence over those held on the waiting list. Once a student has been identified for admission to the academy under the Fair Access Protocol the academy will notify the local authority within seven calendar days of the decision to accept or refuse the student's admission.

If the academy refuses entry, the local authority may request a direction from the Education Funding Agency (on behalf of the Secretary of State). The academy will set out its reasons for refusal in writing to the local authority within 15 calendar days (for CLA this is reduced to seven calendar days) and may make further representations directly to the EFA (these will be made within seven calendar days). The decision of the Secretary of State will be binding upon the academy.

#### Unsuccessful applications

North East Lincolnshire Council admissions will inform the child's parent if a decision has been made to refuse their child a place at the academy for which they have applied, this will include the reason why admission was refused, information about the right to appeal, deadlines and contact details.

A timetable for organising and hearing appeals will be set and published on the academy's website by 28 February each year for the normal admissions round. The academy will inform OAT of any admissions appeals.

Parents have a right to appeal against the academy's decision to refuse admission. Appeals must be lodged within 20 academy days from the date notified of an unsuccessful application and set out in writing the grounds for appeal. Any appeals submitted after the appropriate deadline will still be heard, this will be in accordance with the timescale set out in the published timetable.

Members of the panel will not have a vested interest in the outcome of the appeal or have prior involvement in earlier stages of the proceedings. The composition of the panel will not include any person that is disqualified under the School Admissions (Appeal Arrangements) (England) Regulations 2012.

The following deadlines will apply:

- Appeals will be heard within 40 academy days from the deadline for lodging appeals or within 30 academy days of the appeal being lodged
- In-year admissions appeals will be heard within 30 academy days of the appeal being lodged

The panel (by majority) will decide whether to uphold or dismiss the appeal. Where an applicant fails / is unable to attend and it is impractical to offer an alternative date, the appeal may go ahead and be decided on the written information submitted. If a panel upholds the appeal the academy is required to admit the child. All parties will be informed of the appeal outcome within five academy days of the hearing.

A child is allowed to be on the academy waiting list while lodging an appeal and the appeal will not affect their position on the list. The decision of the appeals panel is binding on the academy.

#### **28th February 2021**

The deadline by which academies should send their admissions policy to their LA.

### What constitutes Consultation?

Consultation involves sending out the school's proposed admission policy **before** it is determined to invite comments or objections. Schools **MUST** consult with, i.e. send their proposed admissions policy to:

- Parents of children between the ages of two and eighteen
- Other person in the relevant area who in the opinion of the school have an interest in the proposed arrangements
- All other admission authorities within the relevant area (except that primary schools need not consult with secondary schools). This would include any other school in the borough which is their own admission authority.
- The local authority
- Any adjoining neighbouring local authority
- The Diocese [if applicable]

Good practice would be to ask all your feeder primary schools to send out letters to parents, put a notice in your local paper, advertise the consultation in other local areas or community centres etc. Make a record of all the ways in which you ensured the community was informed of the consultation.

For the duration of the consultation period, the school **MUST** also publish a copy of their full proposed admission arrangements on their website together with details of the person within the school to whom comments may be sent and the areas on which comments are not sought. Schools **MUST** also send upon request a copy of the proposed policy to any of the person or bodies listed above inviting comment.

Failure to consult effectively may be grounds for subsequent complaints and appeals and so it pays to get the consultation right.

#### **RE: Consultation on admission arrangements**

Dear interested party,

I am writing to notify you of the upcoming consultation on the academy's admissions policy. The consultation period will run from 1<sup>st</sup> October 2019 until 12<sup>th</sup> November 2019; during this time, parents are invited to express their views and any concerns about the proposed changes to the admission arrangements at name of academy.

In accordance with the DfE's 2014 statutory 'School Admissions Code' guidance, as a school we must consult on our admission arrangements when changes are proposed, and at least once every seven years.

**[Choose one of the two options set out below.]**

**[Changes are proposed]**

To this end, the following amendments to our admission arrangements have been proposed:

- **[Brief outline of the key proposals, e.g. an increase in admission numbers]**

This is being proposed as [state reason behind proposal, e.g. due to the rapid growth in the area, there has been an increased demand for school places].

A full version of the proposed changes to the admission arrangements, as well as the rationale behind them, is available to view on the academy website or in hard copy from the school office.

**OR**

**[Changes are not proposed – this is the version to use if you are doing the statutory 7 year consultation]**

For this reason, a consultation is currently being held to meet the academy's statutory duty; however, it should be noted that no changes to the current admission arrangements have been proposed.

**[For either option, the following information should also be included.]**

In accordance with statutory DfE guidance, the consultation will run for at least six weeks and, as an interested party at name of academy, we are keen to hear your views on the proposed changes/current admission arrangements; therefore, we invite you to participate in the consultation if you have any concerns regarding the matter.

All responses to the consultation should be made in writing and submitted before time on date to:

**Address or email address.**

Please note that written responses should outline your personal details, including your name, address and relationship to the academy. You are also encouraged to provide feedback on the academy website here: link to website.

At the end of the consultation period, the governing board will meet to consider responses and submit a final policy to the Ormiston Academies Trust Board of Trustees for approval.

For further information regarding the consultation process, please refer to our proposal document, copies of which can be located on the academy website or in hard copy from the school office. If you wish to further discuss this matter, or anything mentioned in this letter, please contact the school office on phone number or email address.
