Prevention of Public Nuisance

Prevention of public nuisance: The last time this club was open there was noise disturbance which affected the residents of the area and this is the residents concern again.
We have been presented with a petition signed by many of the residents who are concerned about music all day and parking problems.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives: Please can the club be closed at 11pm, could anything to reduce sound be put in place for example windows closed, sound proofing.
