

Are you aged 10 to 17 and currently in care?

Do you want your voice to be heard on issues that affect you?

Join us in making a difference for yourself and others through activities, discussions and food!

Our Voice, Listen Up!, a council for **children in care** consisting of young people in North East Lincolnshire **aged 10 to 17**, is looking for **NEW** members!

We meet **every two weeks** at the **Skills Hub, Grimsby**, to do some collaborative work activities with each other on **important issues that matter to us**, with a meal too. Visitors often attend the group to present something of interest to what we are working on, or just to cook with us and do some fun activities.

Interested? Contact **Pippa** for more information on **07584150229** or **pippa.curtin@nelincs.gov.uk**.
