

Youth ACTION

Giving young people a voice and a role in making a difference in the community.

Youth Action is the **local youth council** for **young people** aged **13 to 21**, where all members are voluntary. The group works on a number of projects which includes the annual consultation of young people's priority issues - Your Voice, Your Vote (this year tackling feeling safe on our streets and mental health).

Regular once monthly meetings take place at **Grimsby Town Hall**, with guests such as senior council managers and councillors attending, to share important discussions about topical issues for young people in our local area.

Youth Action is now looking to recruit new members to join the council and to contribute to meaningful issues in North East Lincolnshire. This is also a wonderful opportunity **to build skills** and **experience** for portfolio's and CV's, needed for jobs in the future.

INTERESTED?! For more information about the group or to join, go to www.nelincs.gov.uk/youthaction or contact **Pippa** at pippa.curtin@nelincs.gov.uk.
