PH.EE.25 **PETITION – PARKING CONDITIONS ON BOLINGBROKE ROAD, CLEETHORPES**

The Portfolio Holder received a petition regarding the parking conditions on Bolingbroke Road, Cleethorpes.

The Portfolio Holder invited Councillor Brookes to introduce the petition.

Councillor Brookes declared a personal interest as he lived on the road in question, but stated that the area the petition related to was away from his property. He passed around pictures of Bolingbroke Road to

emphasise the problems residents were facing, including the problems they face during the evening. Councillor Brookes explained that there had been counter arguments to the petition from residents further down Bolingbroke Road as they were worried that if this part of Bolingbroke Road in question was to receive parking restrictions, the problems would shift further down the road to them. Councillor Brookes stated that he was here to present both sides of the argument and had told residents that, subject to the Portfolio Holders decision, this would go through the formal petition process and the best outcome for all residents would be put forward.

RESOLVED – That the petition be received and progress be reported through the tracking report at future meetings of this Portfolio Holder.
