Continued overleaf/.

Panel suggestions March 2022:

- South Humber Industrial Investment Programme (SHIIP) - timely updates on progress
- Empty homes, regular updates
- Monitoring performance relating to the delivery of the council plan and economic strategy
- Enhanced bus partnership annual update on progress
- Gypsy and Travellers designated stopover site (pre-cabinet)
- Implementation of freeport proposals
- Energy Carbon Roadmap – regular updates.

The panel will also continue monitoring via regular reporting on :

- key projects, actions and performance outlined in the council plan, economic strategy
- Highways schemes
- Local transport plan**
- Monitoring the performance of the regeneration partnership via quarterly report
- Monitoring the improvement of the regeneration partnership via regular reporting.
- Financial monitoring via quarterly budget reports
- LTP – Policy and funding – Potential working group) and all member even (6 October)

These were approved by the panel at a work programme workshop on 21 June 2022 where the following was also agreed:

- Bus Partnership / Network*
- Pre-decision scrutiny of Riverhead Square design, public realm connectivity and transportation design
- Derelict Buildings – Policy – Eleanor Street
- LTP – policy – priority criteria / sustainable transport policy**
- Housing Strategy – New Homes
- Local Plan
- Flood
