

Growing up in a Coastal Community

- Are you aged 16-25 years old?
- Did you grow up in North East Lincolnshire?
- Would you be happy to share your memories and thoughts with us for our research?

As young researchers, we're working with UCL to find out what it's like growing up in a coastal community. We'd like to invite you to meet with us to share your thoughts! Please join us for a group discussion and/or a one-to-one conversation or join us for a walking tour of Grimsby or Cleethorpes.

If you would like to take part, to book on to one of our events between May and July please **contact Pippa** pippa.curtin@nelincs.gov.uk

Conversely, if you do have any questions about the project, please contact pippa.curtin@nelincs.gov.uk or molly.ward@nelincs.gov.uk – or you can find us on Twitter @YouthActionNEL.
