

Supplementary Planning Agenda – 15th June 2022

Item: 2

Application No: DM/1240/21/FUL

Application Type: Full Application

Application Site: Land at Louth Road New Waltham North East Lincolnshire

As a result of further representation by Harbour Energy in relation to a pipeline that runs across the site and its relationship with the development it is recommended that the application be deferred from the Planning Committee. This to enable the resolution of matters between the parties involved after which the application will be referred back to the Planning Committee. The applicant is in agreement with this approach.

Recommendation: Application be deferred.

Dear Sirs,

The following application was discussed at a meeting of Healing Parish Council held on Tuesday 19th April 2022 – the comments and observations from the Parish Council are shown as follows:

Planning Application Reference: DM/0163/22/REM

Proposal: Reserved Matters application following DM/0007/19/OUT to erect two dwellings with access, appearance, landscaping, layout and scale to be considered

Location: 16 Radcliffe Road Healing

Objections - reiterate previous comments that council members would prefer single storey dwellings only and support residents concerns also on drainage issues.

Mrs. Kathy Peers
Clerk – Healing Parish Council
