

## **Item 7 - Petition for Debate to Council 16<sup>th</sup> March 2023**

### **Provide a Zebra Crossing on St Nicholas Drive, Grimsby**

Petition details:

'It is dangerous to cross the busy road on a sharp bend on St Nicholas Drive between the Jubilee Inn and the 'black path' leading to Timberley Drive.

A zebra crossing will make it much safer for children going to and from school and elderly people and those in wheelchairs or mobility scooters to reach the local shops.

We call on North East Lincolnshire Council to provide a zebra crossing at the earliest opportunity.'

The petition has been signed by 308 people (as at 8<sup>th</sup> March 2023) online and by 478 people on paper format. A total of 786 signatures.
