To seek approval to award the contract for implementation of resurfacing works on Taylor Avenue Cleethorpes, following the conclusion of the evaluation process.

2. Decision being taken

The project forms part of the LTP 2022/23 delivery plan. The main project is the carriageway resurfacing programme on Taylor Avenue, Cleethorpes.

A tender was let through NELC's highways frameworks. The award criteria used to evaluate the submissions was cost only, with the award going to the lowest tender value. However, the successful contractor is known to NELC/EQUANS and they have a sound reputation.

The programmed construction start date is 26 September 2022. The ODR needs to be signed before the winning contractor can be notified, leaving only a small amount of time for the winning contractor to be in a position to mobilise ready for construction to start on site. With the current COVID-19 situation materials and plant may take longer than normal to source.

3. Anticipated outcome(s)/benefits
