

## North East Lincolnshire Council form details

Representation on a licensing application, reference number NELC472077743

### Summary of form:

Do you agree to your contact details being made public?: Yes

Do you intend to attend or be represented at any hearing?: Yes

If you are being represented, please state by whom:

Date: 2022-12-15

### Customer name:

Title	First name	Last name
Mr.	Paul	Bright

### Contact details:

Contact telephone number	Email address
Redacted	Redacted

I would like to receive the notice of hearing by email: I would like to receive the notice of hearing by email

### address details:

House	Street	Town	Postcode
30	Humberston Fitties	Humberston	DN36 4EU

I make my representation as:: An individual

Name of applicant: Bourne Leisure

### Premises address:

Is the address in North East Lincolnshire?	Please enter your postcode or street name	Please select your address from the list
Yes	Dn364gg	Thorpe Park Holiday Camp, Anthonys Bank Road, Humberston, DN36 4GG

Application details: Variation of licence for Marina Showbar

**Last date for representation (if known):**2022-12-15

**Which of the licensing objectives does your representation refer to? (Select all that apply):**

Prevention of Public Nuisance

**Prevention of public nuisance:** The NELC licensing policy document in section 9.4 states that public nuisance includes noise and also that, The Licensing Authority wishes to maintain and protect the amenity of residents. How is this done given that there was no information on noise impact in the planning application for the extension to the showbar? Sky lights have been added to the roof closest to the Fitties and are very likely to be opened in warmer weather to aid ventilation. New exit doors have also been added on that side and are also likely to be open at times as this already happens with the current single exit door. The increase in size is significant as will be the capacity. More people and open air terraces will lead to an incremental increase in the noise environment. How is this factored in to your decision?

**If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives:** Carry out an assessment of the noise impact from this change and also look at the existing complaints

**Declaration:**
