Yes	Dn36 4GG	Thorpe Park Holiday Camp, Anthonys Bank Road, Humberston, DN36 4GG

Application details: Licensing Act 2003 to amend the premises licence

Last date for representation (if known):

Which of the licensing objectives does your representation refer to? (Select all that apply):

Prevention of Public Nuisance

Prevention of public nuisance:

Extension to marina show bar Thorpe park antonys bank Road.

As a neighbour this will impact on my quality of life, with extended opening hours and volume of activities making it impossible to sit outside or have my windows open during the holiday season, due to noise from entertainment and outside crowd noise.

The amount of windows and position of this building is facing directly towards Chalets on Antonys Bank and Humberston Fitties.

The noise over last season 2022 was a severe problem with more windows/ doors and outside entertainment it will exacerbate it.

The Fitties is a conservation area with a variety of wildlife, and people enjoying their holiday, they come here because it is quirky, there are not many places like this left.

As Thorpe park continues to expand, the entertainment complex due to their expansion and volume of guests it is obviously needed but, in choosing to locate this complex here it will directly cause a noise nuisance.

The whole ethos of a conservation area is peace and quiet. In the past noise levels have been tolerated, as they have been guaranteed to stop at certain times.

Show quoted text

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives: Repositioning of the building. Some kind of noise barrier.
