

EDWARD HENEAGE PRIMARY ACADEMY– ADMISSIONS POLICY FOR ACADEMIC YEAR 2024 - 2025

Excellence. High-expectations. Pride. Achievement

The David Ross Education Trust is the Admission Authority for this Academy.

At Edward Heneage, we are determined to enable the best possible opportunities for our pupils to attain academic and social excellence. Our skilled and committed staff work closely with parents, governors and the David Ross Education Trust, upholding a culture of high expectations and a shared belief that the children can and will succeed.

The Academy Ethos

It is our intention to ignite a real love of learning by providing a rich, varied and exciting, world class curriculum that meets the needs of each and every individual. In addition, we encourage children to foster positive relationships with each other, to be kind and courteous and develop lively and enquiring minds through our Academy Values

We welcome children regardless of aptitude or ability.

We will always give priority to those who have actually applied for a place over those who fulfil any of the criteria but have not actually applied.

Applying for a Place

Arrangements for applications for places in Reception at EDWARD HENEAGE PRIMARY ACADEMY will be made in accordance with North East Lincolnshire Council's co-ordinated admission arrangements; parents resident in North East Lincolnshire can apply online at <https://www.nelincs.gov.uk/schools-and-education/school-admissions/apply-for-a-school-place/> . Parents resident in other areas must apply through their home local authority.

EDWARD HENEAGE PRIMARY ACADEMY will adhere to the timescales outlined in the North East Lincolnshire Council's Co-ordinated admissions scheme available at <https://www.nelincs.gov.uk/schools-and-education/school-admissions/apply-for-a-school-place/> for these applications and the relevant Local Authority will make the offers of places on our behalf as required by the School Admissions Code.

Key dates relating to applications are:

- Applications deadline for primary school: 15 January
- National Offer Day for primary school: 16 April or the next working day

Published Admission Number (PAN)

The PAN for Reception is 45. If there are fewer applicants than places available all applicants will be admitted.

Special Educational Needs

In accordance with legislation the allocation of places for children with an Education, Health and Care Plan (Children and Families Act 2014) naming the school in the plan will take place first. Remaining places will be allocated in accordance with this policy.

Oversubscription Criteria

If there are more applications than places available we will apply the oversubscription criteria listed below. The oversubscription criteria are listed in the order we apply them. If it is necessary to distinguish between more than one applicant in any criteria, the next criteria will be applied until the tie-breaker is used.

1. Looked after children and all previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. (See definitions)
2. A child with a sibling on roll at the time of admission. (See definitions)
3. Living in the catchment area. (See definitions)
4. Geographical. We will give priority to those living nearest to the Academy (if there is more than one route, the distance measured is the shortest available safe route for pedestrians), from the front door of the child's home address (including flats) to the main entrance of the academy, using the local authority's computerised measuring system.

Tie-breaker

If two or more children are tied for the last place based on proximity to the Academy, a lottery will be drawn by an independent person, not employed by the Academy or working in Children's Service Directorate at the local authority.

Multiple Births and Brothers and Sisters in the Same Year Group

If twins or multiple birth children are split by operation of the oversubscription criteria, the school will go above its published admission number to accommodate all children unless this would make the class too large and prejudice the education of the other children. Multiple birth children are 'excepted pupils' to infant class limits if allocated in this way.

If brothers and sisters in the same year group are split by operation of the oversubscription criteria, the school will go above its published admission number to accommodate all children unless this would make the class too large and prejudice the education of the other children or when this would breach infant class size limits.

Fraudulent or Misleading Applications

We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly. As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example if a false address was given which denied a place to a child with a stronger claim.

Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. Students allocated under fair access protocols will take precedence over those on a waiting list. Edward Heneage Primary Academy will participate in North East Lincolnshire Council's the fair access protocol.

Deferred Entry to School

In accordance with the requirements of the Admissions Code, if your child has been offered a place:

- a) your child is entitled to a full-time place in the September following their fourth birthday;
- b) you can defer the date your child is admitted to the school until later in the school year but not beyond the

point at which your child reaches compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and

- c) if you wish, your child may attend part-time until later in the school year but not beyond the point at which your child reaches compulsory school age.

Admission of Children outside their Normal Age Group (not summer born)

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. It is important for parents to note that they will have responsibility for providing evidence to support their request.

If parents wish for their child to be considered for admission to a year group which is outside their normal age group, then they must:

- a) In advance of completing the LA common application, send in writing directly to the school, a letter outlining reasons for the request and all supporting letters and/or documentary evidence in support of the application.

The academy's admissions committee will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned.

This will include taking account of:

- the parent's views;
- any available information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the views of the head teacher.

- b) Complete the LA common application form or the in-year admission form, as appropriate. Parents/carers should ensure that the written outcome from the academy's admissions committee outlining the decision is attached to the application.

Requests for admission out of normal age group (Summer Born children)

Whilst all children are entitled to a full-time school place in the September following their 4th birthday and most parents are happy for their child to start school at this point, parent(s)/carer(s) of summer born children (those born between 1 April and 31 August) who do not reach compulsory school age until a full year after they would normally start school, may wish to delay their child's start to school until the September following their 5th birthday.

If parents wish to delay their summer born child's school start until the September following their 5th birthday, there are 2 options:

1. Parents can make an in-year application for a place for the September following their child's 5th birthday. The child would normally start school in **Year 1** (their correct chronological age group) as other children in the child's age group already attending school will be moving from Reception to Year 1 at this point. It is important to remember that some schools are likely to be full and they may be unable to offer a place;
2. If parents do not want their child to miss their Reception year, they may request that children are admitted out of their normal age group i.e. into Reception instead of Year 1. Please note, this is a 'request' and parents do not have the right to insist that their child is admitted to a particular age group.

The school's admission committee is responsible for making the decision about which year group a child should be admitted to.

Parents/carers of summer born children who could start school in September 2024, but wish to delay their child's school start and apply for a Reception place to start in September 2025, should still make their application for a Reception place for their child's normal year of entry before the primary application deadline of **5 pm on 15 January 2024**. If a delay is agreed, this application can be withdrawn.

Parent/carers should also, if possible, make their request for admission out of the normal age group to their preferred schools by the same date - **15 January 2024 (5 pm)**. This is to enable sufficient time for requests to be processed prior to National Offer Day (16 April or the next working day). Requests will however still be considered after this date.

Parents/carers wanting to request that they be able to apply for a Reception place at for the September following their child's 5th birthday, should write to the academy in the first instance. In their request, parents/carers should provide some information about their child to explain why they think that their child should be educated out of their normal age group. It is important for parents/carers to provide any additional evidence to support their request as this information will help the admission committee to make their decision e.g. parents/carers may be able to provide a report from the child's Early Years setting or evidence from a health or social care professional.

The request will then be considered by our admission committee who will then make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. The School Admissions Code requires admission authorities to consider a number of factors:

- the parent's/carer's views;
- information about the child's academic, social and emotional development;
- where relevant, the child's medical history and the views of a medical professional;
- whether the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the Head teacher's views.

What happens next?

Parents/carers will be informed of the admission committee's decision on the year group the child should be admitted to when they start school (i.e. Reception or Year 1) and will set out clearly the reasons for their decision.

If the request is approved:

If the request to be admitted outside normal age group is **approved** by the admission committee of the school, parents/carers will need to forward this approval to School Admissions at the Local Authority so an application can be accepted in the normal admission round for the September following the child's 5th birthday.

Parent(s)/carer(s) will then need to make an application for a place in Reception for the normal round of admissions in the following academic year.

Please note – this does not mean a child has been, or will be, offered a place in the Reception year at their chosen school. If, in this following normal admissions round, the school is oversubscribed, all applications (including delayed applications) for the school will be ranked in accordance with the school's oversubscription admission criteria.

If the request is rejected:

If the request to be admitted outside normal age group is **rejected** by the admission committee of the school, parents/carers have to decide whether to accept a Reception place in the normal year of entry or delay their child's start until the September after their 5th birthday and apply for a Year 1 place.

If parents/carers are unhappy with the admission authority's decision to refuse their child a place out of their normal age group, complaints should be made directly to the David Ross Education Trust.

Parents/carers whose requests for delayed entry into Reception are refused, have no statutory right to appeal this decision as the purpose of the appeals process is to consider whether a child should be admitted to a particular school, not the year group into which they should be admitted.

In-year admissions

Applications should be made via North East Lincolnshire County Council. Edward Heneage Primary Academy will accept admissions up to the Published Admission Number of the respective year group at the point of entry. In the event that this would cause prejudice to the provision of efficient education or the efficient use of resources it may be necessary to refuse a place although the year group has not reached the school's published admission number. If there are more applications than places then the oversubscription criteria will be used to decide who should be offered the place. If it is necessary to refuse a place then you will be informed of your right of appeal. Parents can apply online at <https://www.nelincs.gov.uk/schools-and-education/school-admissions/apply-for-a-school-place/>

Waiting List

Any child refused a place at the school will automatically be put on the waiting list unless a higher preference school has been offered. A waiting list will be maintained until the end of the academic year after which it will be cleared. If you would like your child to be placed on the waiting list for the following academic year please contact the school.

The waiting list is maintained in the order of the oversubscription criteria. This means that names can move down the list if, e.g. someone moves into the area and is higher placed under the oversubscription criteria.

Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing. You are required to fill out an appeals form, details of which can be found on the North East Lincolnshire Council website.

You can find details of the form and the appeals timetable on the following webpage:

<https://www.nelincs.gov.uk/schools-and-education/school-admissions/school-admissions-appeal/>

Definitions

Children who have an **Education, Health and Care Plan (EHCP)** where the school is recorded in the plan.

These children will have undergone a statutory assessment of their special educational needs. Where a school is recorded in the plan the school must admit the child.

Looked after children: A 'looked after child' is a child who, at the time of making an application to a school, is:

- a) In the care of a local authority, or
- b) being provided with accommodation by a local authority in exercise of its social services functions (see the definition in Section 22(1) of the Children Act 1989).

Previously looked after children: Previously looked after children are children who were looked after, but ceased to be so because they:

- a) were adopted under the Adoption Act 1976 (see Section 12 adoption orders) or the Adoption and Children Act 2002 (see Section 46 adoption orders), or
- b) became subject to a child arrangements order (as defined in Section 8 of the Children Act 1989 and as amended by Section 12 of the Children and Families Act 2014), or
- c) became subject to a special guardianship order (see Section 14A of the Children Act 1989 which defines a

‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Previously looked after children includes children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Rules for Siblings

Included in this factor are stepbrothers and sisters and half-brothers or sisters, adopted brothers or sisters, stepbrothers or sisters or the child of the parent/carer’s partner living at the same address and who will be attending the academy at the expected time of admission. The special cases of twins and triplets will be referred to the allocation panel if one is eligible for a place and other(s) is/are not. In the case of first admission to school the panel would have to have regard to Infant Class Size Legislation.

Rules for Residence

On 31 December of the year before your child is due to start at the academy, your child must be living in the academy’s catchment area. If you move to the academy’s catchment area after this date, we will not consider your request until we have firm proof (documentary evidence) that you are about to move (for example, a solicitor’s letter confirming that exchange of contracts has taken place or a rental agreement). We have the right to investigate whether you live at the address you say you do and we may change any offer if incorrect information has been given. Where parents have shared access to a child only one address can be accepted, parents must agree which address is to be used for the purposes of allocating a place. If parents cannot agree on an address the local authority will use the address to where the Child Benefit is paid.

Geographical Distance will be measured by the shortest available safe walking route from the front door of the child’s home address (including flats) to the main entrance of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Home Address is where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of school nights Sunday – Thursday.

Policy Determined: 8 February 2023
