Objectives	Evidence
The Prevention of Crime and Disorder	A meeting has taken place to discuss this objective. Ward councillors Were not invited to this meeting therefore we cannot assure or inform residents accordingly. We believe that this process is not transparent.
Public Safety	As above.
Prevention of Public Nuisance	We have had concerns raised by residents who reside nearby. We will run a survey, which we will present our findings at the hearing. We strongly believe that the evidence presented to mitigate excess Sound is not robust. We would urge the applicant to prove that it is. Providing evidence to corroborate their case.
The Protection of Children from Harm

	More detailed information made available in relation to the sound. Consultation with the ward council team in relation to crime and Disorder and public safety to ensure that this can be disseminated to residents and stakeholders who this will directly affect.
