Dear Sir,

Diggeries - Beelsby,
Application No. 874/67.

My Building Inspector reports that the above building has not been sited in accordance with the approved plan and that other buildings have been constructed in connection with this proposal without Planning Permission first being obtained.

I would inform you that this is a contravention of Planning and Building Regulation Legislation and I must ask you to make the necessary Planning Application immediately both for the re-siting of the diggeries and the construction of the other buildings.

I look forward to receiving the application without delay before taking further action.

Yours faithfully,

Planning Officer..
