The public right of way over any public path or other way shown on the map along the bank of a river or drain is subject to any right which a River Authority or Drainage Board may have to carry out drainage works in or in connection with any river or drain or to, through, across, or in connection with the bank or banks thereof.

NOTE: Entries have only been made in this Statement in the case of rights of way clearly created or modified by documents. The existence of a right of way or the fact that the County Council allege that a right of way exists does not depend on an entry in this Statement. All rights of way shown on the map are alleged to be public rights of ways.

This is the Statement approved by the County Council of Humberside at their meeting on the 9th June, 1970, as the Statement accompanying the Definitive Rights of Way Map for the Rural District of Grimsby, now the Borough of Cleethorpes.
