**Name of applicant:** Brett Smith Folk Bar 30 Cambridge St Cleethorpes DN35 8HB

**Address of premises:** Folk Bar, 30 Cambridge St, Cleethorpes, N E Lincs, DN35 8HB

**Application details:** Folk Bar 30 Cambridge St Cleethorpes DN35 8HB

**Which of the licensing objectives does your representation refer to? (Select all that apply):** Prevention of Public Nuisance

**Prevention of public nuisance:** My concern is that the applicant has stated he wants a bar/restaurant. However on the facebook page of these premises we can see disco activity and dancing. people have been served at the bar without the consumption of food. Also there is an open area at the back of the premises. Will alcohol/ food be consumed in this are? If so, this has been excluded from the application. it is here I have concerns over public disorder. This an open air area and noise would emanate into the local environment and create a public nuisance for surrounding residential properties etc This would have potential to create public disorder as a conflict between the applicants business interest and those of residents.

**If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives:** I would suggest the applicant puts the outside seating area into the plans to consume food and alcohol and a noise abatement strategy should be ensured as part of the applicants license I also seek to speak at the hearing
