## **Policy on remunerating Chief Officers and Senior Officers**

Chief Executive and Chief Officers conditions of service are in line with the Joint Negotiating Committees for Chief Executives and Chief Officers. The Council's policy on remunerating Chief Officers and Senior Officers is set out on the schedule that is attached to this policy statement at Appendix A.

It is the policy of the Council to establish a remuneration package for each Chief Officer post that is sufficient to attract and retain employees with the appropriate skills, knowledge, experience, abilities, and qualities that is consistent with the Council's requirements of the post in question at the relevant time, which may include reference to appropriate market benchmarks.

## **Policy on other aspects of Chief Officer remuneration**

Other aspects of Chief Officer remuneration are appropriate to be covered by this policy statement, these other aspects are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency, and re-employment when in receipt of a pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this policy statement at Appendix B.

## **Pay relationship**

From April 2025, the lowest pay rate in the Council's pay structure (excluding apprentice rates) equates to a full time equivalent annual salary of £23,656 and can be expressed as an hourly rate of £12.26. This pay rate is the bottom point of the national pay scale for those employed on National Joint Council (NJC) Local Government Services Terms and Conditions. The highest paid salary in this Council from 1<sup>st</sup> April 2025 is £175,044 which is paid to the post of Chief Executive for North East Lincolnshire Council and Executive Place Lead (NEL Health and Care).

The median full time equivalent salary in this Council is £29,093.00. The pay multiple between the median full time equivalent salary and the post of Chief Executive is 1 to 6.02.

This Council does not have a policy on maintaining or reaching a specific 'pay multiple', however the Council is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the Council as expressed in this policy statement.

Pay rates may increase in accordance with any pay settlements reached by the relevant national negotiating bodies.

## **Salary Packages over £100,000**

The Council will ensure that before an offer of appointment is made, any salary package for a newly appointed to post where the salary is more than £100,000 will be considered by full Council. The salary package will be defined as base salary, fees, routinely payable allowances, and benefits in kind that are due under the contract.

## **Flexibility to address recruitment issues for vacant posts**

In most circumstances, the provisions of this policy will enable the Council to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment. This policy statement recognises that this situation may arise in exceptional circumstances and therefore a

departure from this policy can be implemented without having to seek full Council approval. Such a departure from this policy will be expressly justified in each case and will be approved through an appropriate decision-making route.

### **Policy for future years**

This policy statement will be reviewed each year and will be presented to full Council for consideration to ensure that a policy is in place prior to the start of each financial year.

Clearly where a former employee left the Council on redundancy terms and the old post has been deleted the individual cannot return to that post.</p> <p>The Council will apply the provisions of the Redundancy Payments Modification Order regarding the recovery of redundancy payments if this is relevant.</p> <p>Pensions Regulations also have provisions to reduce pension payments in certain circumstances to those who return to work within the local government service.</p>
