

NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR-25-09

Order: 25-09

Date: May 2025

Statement of Reasons

This Statement of Reasons relates to the making of the following Traffic Regulation Order:

**The North East Lincolnshire Borough Council
(Prohibition of Waiting Restrictions) (Origin Way, Healing)
(No. 25-09) Order 2025**

Street(s) affected:

- Origin Way
- Genesis Way (in part)

Ward(s) affected:

- Wolds

Proposal:

- The ratification of the existing “24 Hour Prohibition of Waiting: No Waiting at Any Time” restrictions

Reason:

Following the formal adoption of Origin Way, Grimsby it is proposed to make a Traffic Regulation Order to enable the Council to exercise their civil enforcement powers against anyone found parked in contravention of the existing 24-hour Prohibition of Waiting restrictions. This will in turn ensure road safety for all road users, by being able to keep the area free of parked vehicles at all times, which will ensure clear visibility for drivers and cyclists exiting or entering the busy off street parking areas that serve the business units.
