

# **COMMUNITIES SCRUTINY PANEL**

<b>DATE</b>	3 <sup>rd</sup> July 2025
<b>REPORT OF</b>	Jo Robinson (Statutory Scrutiny Officer)
<b>SUBJECT</b>	Tracking the recommendations of the Communities Scrutiny Panel
<b>STATUS</b>	Open

## **CONTRIBUTION TO OUR AIMS**

The scrutiny panels act as a reviewing mechanism for decisions made relating to the strategic policy, performance and resources required to deliver the ambitions of the council and the strategic partnership. The aim of the scrutiny process is to make sure decision making is robust by providing constructive challenge. This contributes to the Council being effective and efficient, and therefore it is integral to the delivery of the Council Plan.

## **EXECUTIVE SUMMARY**

Each scrutiny panel monitors the progress made on their recommendations through a tracking table, which is included as an appendix of this report.

## **MATTER(S) FOR CONSIDERATION**

Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed or are no longer considered to be an efficient use of resources or where priorities have changed.

### **1. BACKGROUND AND ISSUES**

Each scrutiny panel has a standard agenda item so that they can check progress against the recommendations they have previously made.

Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed, so that they can be removed from the table. It would also be effective to sign off any recommendations that have not been completed but which are no longer considered to be an efficient use of resources, or where priorities have changed.

Appendix A lists progress on tracked items within the terms of reference of this new panel.

Appendix B lists the remaining recommendations from a review of environmental street scene.

Appendix C lists the nine recommendations from the enforcement scrutiny working group.

### **2. RISKS AND OPPORTUNITIES**

Risk assessments will already have been carried out on the reports that these recommendations have come from.

Any actions which the council may undertake as a result of recommendations made by scrutiny will be the subject of further reports, which will include risk assessment(s) by the author(s) concerned.

### **3. OTHER OPTIONS CONSIDERED**

Not applicable to this report.

### **4. REPUTATION AND COMMUNICATIONS CONSIDERATIONS**

The panel's tracking report demonstrates that the panel monitors progress on its recommendations and required actions. This report further demonstrates the breadth of matters considered by scrutiny.

### **5. CHILDREN AND YOUNG PEOPLE IMPLICATIONS**

There are no impacts on Children and young people as a direct result of this report. The reports that these tracked items have come have been assessed for impact on children and young people.

### **6. FINANCIAL CONSIDERATIONS**

There are no financial considerations included within this report, beyond scrutiny's enhanced role in monitoring delivery of the council's budget and medium-term financial plan.

### **7. CLIMATE CHANGE AND ENVIRONMENTAL IMPLICATIONS**

There are no impacts on climate change and the environment as a direct result of this report. The reports that these tracked items have come from will have been assessed for impact.

Any actions which the council may undertake as a result of recommendations made by scrutiny will be the subject of further reports, which will include climate change and environmental implications by the author(s) concerned.

### **8. MONITORING COMMENTS**

In the opinion of the author, this report does not contain recommended changes to policy or resources (people, finance, or physical assets). As a result, no monitoring comments have been sought from the Council's Monitoring Officer (legal), Section 151 Officer (finance) or Strategic Workforce Lead (human resources).
