Childs Initials	
NHS Number	

Agenda Items

1. Attendees, Apologies, Confidentiality and Conflict of Interest
2. Details of the child and family
3. Circumstances Around Death / Background information
4. Agency Reports
 - a. Agency reports need to take into consideration the following questions:
 - i. What was the service provision for the child in life and immediately around their passing?
 - ii. What support was provided to the child in life and immediately around their passing?
 - iii. Were there any identified social issues that were relevant to the child's death?
 - iv. What support was provided to the family?
5. Care Pathways
6. Support for the Family and Wider Community
7. Staff Debrief
8. Are there any child protection or early help issues for other children?
9. Does the case meet the criteria for a Safeguarding Practice Review or is there any other wider learning identified?

Criteria for Safeguarding Practice Review includes serious child safeguarding incidents are those in which:

 - i. Abuse of neglect of a child is known or suspected **and**
 - ii. The child has died or been seriously harmed (serious harm includes (but is not limited to) serious and/or long-term impairment of a child's mental health or intellectual, emotional, social or behavioural development. It should also cover impairment of physical health¹.
10. Any Other Business
11. Actions For Agencies
12. Form C: Analysis Form

¹ Child perpetrators may also be the subject of a review, if the definition of 'serious child safeguarding case' is met.
