STATUS	Open

CONTRIBUTION TO OUR AIMS

The policy statement meets statutory requirements and contributes to the Council's aim to be an effective and efficient council by strengthening our governance and promoting transparency

EXECUTIVE SUMMARY

The Localism Act 2011 requires local authorities to prepare pay policy statements. These statements must set out an authority's policies towards a range of issues relating to the pay of its workforce, particularly its senior staff and its lowest paid employees. Pay policy statements must be prepared for each financial year and must be approved by Full Council and published. The policy also relates to the Code of Recommended Practice for Local Authorities on Data Transparency. The provisions in the Act do not apply to schools

RECOMMENDATIONS

That the pay policy statement for the period 2026/27 be approved.

REASONS FOR DECISION

To ensure compliance with legislation and recommended practice on data transparency

1. BACKGROUND AND ISSUES

- 1.1 Section 38 of the Localism Act 2011 requires local authorities to produce a Pay Policy Statement each year to include the remuneration of its chief officers, the remuneration of its lowest paid employees and the 'pay multiple (ratio between the highest paid salary and the median salary for the whole of the authority's workforce). Appendix 1 fulfils our requirements under the Localism Act 2011.

- 1.2 The Government has also issued a code on the publication of data for the public, to support the transparency of decision making and the public's opportunity to consider how money is being used in the pay and reward of senior staff, and the structure of overall workforce which includes:

An organisational chart covering staff in the top three levels of the council and for each member of staff the job title, department, whether permanent or temporary, contact details, salary in £5,000 bands and salary ceiling.

Senior salaries – in addition to the information published under the Accounts and Audit Regulations 2015 (Statutory Instrument 2015/234) it should also publish a list of job titles, responsibilities (for example the services and functions they are responsible for, budget held and number of staff), and details of bonuses or 'benefits-in-kind' for all senior employees whose salary exceeds £50,000.

The 'pay multiple' – the ratio between the highest paid salary and the median average salary of the whole of the council's workforce.

- 1.3 Information is available on the Council's website to reflect these requirements, including a copy of the pay policy statement.

2. RISKS, OPPORTUNITIES AND EQUALITY ISSUES

There are no risk implications in respect of: Crime and Disorder; Human Rights or the impact on the social, economic and environmental well-being of the Borough.

The policy statement has been screened for equality and diversity impact and no further action is required.

4. REPUTATION AND COMMUNICATIONS CONSIDERATIONS

Both the organisation structure and pay structure reflect the capacity of the organisation to deliver across an increasingly complex and dispersed agenda (in an environment where demand is not diminishing).

8. PUBLIC HEALTH, HEALTH INEQUALITIES AND MARMOT IMPLICATIONS

11. LEGAL IMPLICATIONS

Sections 38-43 Localism Act 2011 require public authorities to publish a statement of pay policy. The policy must be approved on or before 31st March each year. The statement reflects a number of existing policies and decisions that have been approved by Council

12. HUMAN RESOURCES IMPLICATIONS

In addition to those contained within the report, directly employed Council employees will be paid a minimum of the Living Wage Foundation rate of pay if this is higher than the local government services pay award agreement for 2026/2027, to fulfil the Council's ongoing commitment to pay 'The Real Living Wage'.

Policy on remunerating Chief Officers and Senior Officers

Chief Executive and Chief Officers conditions of service are in line with the Joint Negotiating Committees for Chief Executives and Chief Officers. The Council's policy on remunerating Chief Officers and Senior Officers is set out on the schedule that is attached to this policy statement at Appendix A.

It is the policy of the Council to establish a remuneration package for each Chief Officer post that is sufficient to attract and retain employees with the appropriate skills, knowledge, experience, abilities, and qualities that is consistent with the Council's requirements of the post in question at the relevant time, which may include reference to appropriate market benchmarks.

Policy on other aspects of Chief Officer remuneration

Other aspects of Chief Officer remuneration are appropriate to be covered by this policy statement, these other aspects are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency, and re-employment when in receipt of a pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this policy statement at Appendix B.

Pay relationship

From April 2026, the lowest pay rate in the Council's pay structure (excluding apprentice rates) equates to a full time equivalent annual salary of £24,796.00 NJC03 and can be expressed as an hourly rate of £12.85. This pay rate is the bottom point of the national pay scale for those employed on National Joint Council (NJC) Local Government Services Terms and Conditions. The highest paid salary in this Council from 1st April 2026 is £175,440.00 which is paid to the post of Interim Chief Executive for North East Lincolnshire Council

The median full time equivalent salary in this Council is £30,024.00. The pay multiple between the median full time equivalent salary and the post of Interim Chief Executive is 1 to 5.84.

This Council does not have a policy on maintaining or reaching a specific 'pay multiple', however the Council is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the Council as expressed in this policy statement.

Pay rates may increase in accordance with any pay settlements reached by the relevant national negotiating bodies.

Salary Packages over £100,000

The Council will ensure that before an offer of appointment is made, any salary package for a post that is more than £100,000 will be considered by full Council. The salary package will be defined as base salary, fees, routinely payable allowances, and benefits in kind that are due under the contract.

Flexibility to address recruitment issues for vacant posts

In most circumstances, the provisions of this policy will enable the Council to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment. This policy statement recognises that this situation may arise in exceptional circumstances and therefore a departure from this policy can be implemented without having to seek full Council approval. Such a departure from this policy will be expressly justified in each case and will be approved through an appropriate decision-making route.

Policy for future years

This policy statement will be reviewed each year and will be presented to full Council for consideration to ensure that a policy is in place prior to the start of each financial year.

Clearly where a former employee left the Council on redundancy terms then the old post has been deleted, and the individual cannot return to that post.</p> <p>The Council will apply the provisions of the Redundancy Payments Modification Order regarding the recovery of redundancy payments if this is relevant.</p> <p>Pensions Regulations also have provisions to reduce pension payments in certain circumstances to those who return to work within the local government service.</p>
