27 July 2023

Dear Rebecca,

Thank you for resubmitting the report (Edie) for North East Lincolnshire Community Safety Partnership to the Home Office Quality Assurance (QA) Panel. The report was reassessed in July 2023.

The QA Panel concluded that the review was sensitive and included adverse childhood experiences, trauma bonding and how children being taken away from Edie would have impacted her. There was good engagement with the victim's family and the action plan has been populated to evidence that recommendations are being progressed.

The QA panel highlighted the inclusion of the panel of specialist advisers and the crown prosecution service which gave the panel a full understanding of key legal policy and practice issues that the case highlights.

The equality and diversity section considers a range of factors and uses research findings to be relevant and thoughtful.

The Home Office noted that most of the issues raised in the previous feedback letter following the first submission have now been addressed.

The view of the Home Office is that the DHR may now be published.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to DHREnquiries@homeoffice.gov.uk. This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home

Office QA Panel feedback letter should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at DHR@domesticabusecommissioner.independent.gov.uk

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Lynne Abrams

Chair of the Home Office DHR Quality Assurance Panel
