  - b) The effect, or likely effect of the activities is, or is likely to be, persistent or of a continuing nature, and is, or is likely to be, such that the activities are unreasonable and the effect justifies the restrictions imposed.

5. The effect of this Order is to impose the following requirement in relation to the prohibitions in Section 4 of this Order:

Where a Police Constable or an Authorised Officer has reasonable grounds to believe that a person or group is engaging, or has engaged in, any activity prohibited by this Order, that officer may require the person or group to immediately disperse from the Restricted Area, and to not return to the Restricted Area for a period up to 24 hours, as specified by the officer.

6. Any person who, without reasonable excuse, fails to comply with any of the prohibitions or requirements under Section 4 of this Order, commits an offence and is liable on summary conviction to a fine not exceeding level 3 on the standard scale (currently £1000).

8. The effect of this Order is to impose the following requirement in relation to the prohibitions in Section 7 of this Order:

11. Any challenge to this Order must be made at the High Court within 6 weeks of it being made by someone who lives in, regularly works in or visits the Restricted area.

The validity of the Order may be challenged on the grounds that:

- a) The Council acted beyond its powers in making the Order, or including provisions; or
- b) The Council failed to comply with the procedural requirements prescribed by The Anti-social Behaviour, Crime and Policing Act 2014.
