Careers Café

A new chapter in community empowerment

Created by TARGET NEL in partnership with North East Lincolnshire Council's Adult Careers Team.

We're excited to announce the upcoming launch of the Careers Café, a welcoming drop-in space that will offer:

- Up-to-date careers info from local employers
- Personalised guidance for your career journey
- Holistic support to overcome barriers like childcare, training access, and more

Whether you're looking for work, exploring new paths, or just need a bit of direction, the Careers Café is here for you.
