

NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR-23-06
Order: 23-06
Date: September 2025

Statement of Reasons

This Statement of Reasons relates to the making of the following Traffic Regulation Order:

The Borough of North East Lincolnshire Council (Riverhead, Grimsby) (Various Restrictions) (No. 23-06) Order 2025

Street(s) affected:

- Riverhead, Grimsby (in part)

Ward(s) affected:

- West Marsh Ward

Proposal:

1. Revoke all existing prohibition of driving, waiting and loading restrictions covering the Riverhead, Grimsby
2. Introduce a “Goods Vehicle Loading Only 6am – 12pm” restriction on part of the Riverhead, Grimsby
3. Introduce “No Waiting at Any Time” restrictions on part of the Riverhead, Grimsby
4. Introduce “No Loading” restrictions on part of the Riverhead, Grimsby
5. Introduce an “Authorised Vehicle Only” parking bay on part of the Riverhead, Grimsby

Reason:

The revocation of the historical bus station and taxi rank clearway restrictions on Riverhead Square, Grimsby are necessary as the area identified is no longer used for these purposes. The introduction of a ‘Loading Only’ bay on the entry way into Freshney Place carpark is necessary to provide a designated delivery area for the nearby Barge public house and also facilitate a designated pick up/drop off point for users of the nearby Horizon Youth Zone facility. All other Waiting and Loading restrictions are required to ensure safe and unobstructed access and egress of traffic moving through the area.
