Proposal:

North East Lincolnshire Council proposes to introduce new Traffic Regulation Orders for various parking and loading restrictions on streets in and around Cleethorpes Market Place.

Reasons:

The introduction of appropriate on-street restrictions are proposed to support the pedestrianisation of the area and enable the Council to exercise its civil enforcement powers effectively. These measures are essential to maintaining a safe and accessible environment for all users of the space—particularly pedestrians and cyclists. This will enhance safety whilst also supporting the Council's broader goals of creating vibrant, people-focused public spaces.
