

This form relates to gravity sewers only, if pumped drains please consult with Anglian Water Services
TO BE COMPLETED FOR EXTENSIONS AND NEW BUILD ONLY

Address:

Postcode:

Please tick :	Yes	No
1. Is the building/extension within 3m of a public sewer ? (shown on the map of sewers)	☐	☐

If YES a full plans application is required. If NO continue to section 2.

2. Is the building/extension within 3m of a shared lateral drain?	☐	☐
---	--------------------------	--------------------------

If YES continue to section 3

3. If the sewer or shared lateral drain is within 3m of a building or extension, please answer the following:		
Is the sewer less than 3m deep?	☐	☐
Is the sewer 150mm diameter or smaller?	☐	☐
Is the build over length less than 6m?	☐	☐
Is the area being built over clear of any manholes or access points?	☐	☐
Have suitable foundations/floor slab designs been considered to ensure no loads are imposed on the sewer? (Please give details overleaf)	☐	☐

If any answer to section 3 is No, a Full Plans application and consultation with Anglian Water Authority is required. However, a Building Notice may be accepted if it is submitted with written confirmation from Anglian Water Authority of their agreement with the proposed development.
