

NORTH EAST LINCOLNSHIRE COUNCIL

File Ref: TR-25-06
Order: 25-06A
Date: December 2025

Statement of Reasons

This Statement of Reasons relates to the making of the following Traffic Regulation Order:

**The North East Lincolnshire Borough Council (Riverhead, Grimsby)
(Waiting, Loading & Parking) (No.25-06A) Order 2025.**

Street(s) affected:

- George Street (in part)
- New Street (in part)
- Town Hall Street (in part)
- Victoria Street South (in part)
- Victoria Street West (in part)

Ward(s) affected:

- West Marsh

Proposal:

To introduce Traffic Regulation Orders to amend the waiting, stopping, loading and parking restrictions on George Street, New Street, Town Hall Street, Victoria Street South and Victoria Road West. The proposed changes to these streets will reduce delays and disruptions to buses, provide a safer road environment through the removal of indiscriminate stopping, parking and loading and provide for these activities in designated bays.

Reason:

The proposed changes to traffic regulation order will support the delivery of efficient public transport services providing access to town centre business and facilities through sustainable transport options. This will support stronger businesses within the area as well as contributing to the health and wellbeing of all road users, business owners and visitors to the area by creating, and maintaining, a safer highway environment by implementing appropriate waiting and loading measures.
