NEL Annual Update & Lessons Learned Event

Wednesday 14th January 2026 - FREE* - 1pm – Online Webinar

Stay Informed. Stay Confident. Strengthen Your MCA Practice.

We're pleased to invite you to our Mental Capacity Act 2005 (MCA) North East Lincolnshire Annual Update and Lessons Learned Event, a free, essential session for anyone working with or supporting adults who may lack capacity.

This year's event takes a practical look at the latest case law, real examples from practice, and the key lessons learned over the past 12 months. If you want to stay up to date, sharpen your decision-making, and feel more confident in applying the MCA in complex situations, this is one not to miss.

What to Expect

Led by renowned MCA specialist Alex Ruck Keene KC (Hon) barrister, writer, educator, and creator of the widely recognised MCA "Shedinars" this session brings clarity to complex issues. Using real-world scenarios, Alex will guide attendees through:

- Practical responses to recent cases
- How new case law affects everyday decision-making

- Lessons learned from practice across the last year
- Opportunities to apply learning to realistic examples
- Clear, engaging explanations in Alex's trademark style

Whether you're new to MCA or highly experienced, you'll leave with up-to-date knowledge, practical confidence, and refreshed insight you can immediately apply in your role.
