Professional Networking Event - Making it Real NEL- Whole family & whole community

Centre4 - Wootton Road - Grimsby - 8th April 2025 - 9am- 3pm
Professional Networking -- Marketplace -- Refreshments and Cake

The North East Lincolnshire Safeguarding Children Partnership are collaborating with Adult Services and Sector Led Support NEL Partnership for this professional networking event.

In North East Lincolnshire, children, young people, families and adults are at the centre of everything we do. Relationships unite us and there is a real commitment to ensuring the right support, at the right time by the right person.

At this professional networking event over 30 agencies and organisations from across the Borough will showcase, share and represent their offer across the life course, family and community.

This drop in session will allow you to meet other key stakeholders working with children, young people and families, develop your professional networks, and learn more about services and support across the system over a coffee and a biscuit.

From an adults perspective Making It Real in NEL is a series of events designed to build stronger connections to support the sector to develop professional alliances, that focus on the wellbeing of residents, improving outcomes without an over-reliance on more traditional forms of care and support.

Who is this event for?

Professionals, Community Practitioners, Health and Social Care Professionals, Community Organisations, VCSE groups, Front Line Teams and Managers, as well as an opportunity for CPD and revalidation time.

A Greener NEL

Please consider car sharing, walking, cycling & public transport to access this event. On site parking is limited.

No booking needed - this is a drop in event - stay as long as you need
