Choose North East Lincolnshire Council for your **Social Work Degree Placements**

Choose a placement where you'll feel supported, trusted and given real opportunities to learn. We work closely with partner universities to offer both first and second placements, all designed to meet programme requirements while giving you a meaningful, hands-on introduction to practice.

What you can expect

Students often tell us they feel welcomed and included as part of the team. Each placement is tailored to your learning needs, giving you insight into real practice and the difference you can make for children and families.

Most students choose to stay with us after their placement, with many progressing into ASYE roles within our teams.

**“I love the people,
the culture,
the warmth,
the support.”**

A supportive place for you to develop and grow during your ASYE

Our Assessed and Supported Year in Employment (ASYE) programme gives you the confidence, support and space to develop into the social worker you want to be. Governed by the Department for Education, our ASYE provides structured development, meaningful support, and opportunities to grow at your pace.

What our ASYE offers

Training and development

- A welcoming induction into NELC and your team.
- Mandatory and bespoke training tailored to your journey.
- Opportunities for self-directed learning.

Supervision and support

- One to one and group supervision.
- Dedicated guidance from our Practice Development Lead Officer.
- A buddy (an experienced practitioner offering day to day support.)

Learning through practice

- Extensive shadowing and collaborative learning.

Protected caseloads and progression

- A protected caseload, gradually increasing with your confidence and skills.
- ASYE +1 continued support and caseload protection for a full 12 months after you complete your ASYE.

Our sense of community is something you won't find anywhere else. There's a real buzz around our ambitious transformation, and we'd love you to be part of it.
